DETAILED ACTION

Response to Amendment

1. The reply filed on 03/09/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The election of species mailed on 05/15/05 requires that the Applicant pick one item from each of species I-VI. For example Species I requires that the Applicant pick either the panels having a point of permanent attachment **or** that the panels can be detached. In Species II the Applicant is required to picket either the garment covering part of the arm **or** the garment does not cover the arm. The same should be done in the remainder of the species. The claims reflecting the elected subject matter need to also be indicated to be fully responsive.

See 37 CFR 1.111.
